### ***Invitation to Kingsbury Green Academy Launch Evening –6:00pm – 5<sup>th</sup> September***

I would like to invite all parents and carers to our launch event taking place at 6:00pm on the 5<sup>th</sup> of September at the school. The evening will begin with a welcome from George Croxford CEO of the Royal Wootton Bassett Academy Trust as well as a few words from me. We are lucky enough to have local author Edward Barham as our guest speaker on the evening. Mr Barham is a passionate advocate for education and its power to change lives, so his talk should be fascinating. From 6:30pm, guests will be invited to look around Kingsbury Green Academy so you can meet our staff and view the wonderful facilities.

### ***Uniform Donation***

As a reminder, we have requested good quality blazers and PE kit be brought in to school on Monday as we are donating these items to the Butali Project charity <http://thebutaleproject.wix.com/butale-project>. The Butali Project will be the first ever official Kingsbury Green Academy charitable partner and we look forward to working with them.

### ***Thank You***

I would like to thank all parents, carers and families in general for your support this year. The school is undergoing unprecedented change. The community in general recognises that these changes are being brought about so that we can offer our young people the best education possible. However, as Niccolo Machiavelli once said, "It ought to be remembered that there is nothing more difficult to take in hand, more perilous to conduct, or more uncertain in its success, than to take the lead in the introduction of a new order of things". I would agree! However, the fact that change is difficult doesn't mean it isn't right.

I am extremely upbeat and excited by the launch of Kingsbury Green Academy and the leading role we can play as part of the Royal Wootton Bassett Academy Trust. It promises to be an exciting year ahead so I will wish you all a great summer and look forward to seeing our students in their new uniforms in September.

### ***Careers Breakfast***

On Tuesday 15<sup>th</sup> October, Kingsbury Green Academy will be hosting a Careers Breakfast Update for Employers and Education Providers who work in the local area. We would love to draw this to your attention as many of you will work for local businesses or education provisions. If you do, please take a look at the invitation attached and discuss the possibility of attending with your workplace. It would be great for our students to benefit from the

business links and the wealth of business experience that our own parents have. We hope the company you work for is able to be represented.
