

DISADVANTAGED LEARNER CHARTER

Achievement for ALL

At The John Bentley School, we believe that every child should have equal opportunity and access to an outstanding education. We know that disadvantaged learners can require greater support in order to achieve results that are in line with other children and young people.

All Staff at The John Bentley School are committed to

- the JBS Pupil Premium Strategy
- ensuring that we are a safe and inclusive school and that all have a sense of belonging
- challenging mind-sets that don't have the highest expectations for all our students including the disadvantaged.

All Teachers and Leaders are committed to

- maximising the best possible outcomes for our disadvantaged learners
- knowing who our disadvantaged learners are in school, their individual barriers and using First PP to provide excellent teaching and learning opportunities
- relentlessly supporting disadvantaged students in overcoming their individual barriers to their academic achievement
- encouraging all disadvantaged students to have high aspirations and seeking out opportunities to build disadvantaged learners' self-belief in their own abilities and talents

All Governors are committed to

- holding the leaders of the school to account for ensuring the maximum achievement for all of our disadvantaged students.

Our commitment to the parents/carers of disadvantaged students

- Parents/Carers feel supported because of the strong partnership between the school and the home
- Parents/Carers receive excellent communication so that they are aware of their child's progress and support
- The school will work in partnership with all external agencies to ensure excellent support and provision for all disadvantaged students.
